Canada's Trusted, Locally Owned Commercial Restoration Partner:

Locally owned Canadian franchisees backed by 60 years of North American expertise. We help commercial property owners, managers, and insurers protect assets, minimize risk, and recover quickly from property damage.

24/7 Emergency Response Built Around Business Continuity:

When an incident occurs, speed and precision matter. Our emergency teams mobilize immediately and deploy rapidly - taking decisive action to stabilize your property, limit disruption and keep operations moving. Emergency: 1-833-316-2791.

A Single Partner for Complete Commercial Restoration:

Offering 24/7 emergency response and comprehensive services including water, fire, smoke, wind, and storm damage restoration; mould remediation, asbestos abatement, emergency securement and board-up, tarping, trauma and biohazard cleanup, soft goods and textile cleaning, odour removal, air purification, and proactive emergency preparedness planning.

Focused on What Matters Most to Your Business:

Every project is guided by four core priorities commercial clients depend on: **high-quality work** built to last and meet commercial standards, **rapid response** to reduce downtime, **clear and transparent communication** throughout the process, and a strong focus on **business continuity** to ensure faster recovery with minimal disruption.

Values-Driven Performance You Can Trust:

We operate with integrity and accountability, delivering what we promise, respecting the individual, taking pride in our work, and practicing continuous improvement. As pioneers in insurance restoration, Paul Davis remains the trusted partner businesses rely on before, during, and after a disaster event.
